**ADDENDUM 3
BID No. PC22-020
CONTINUING PROFESSIONAL SERVICES CONTRACT FOR PANAMA CITY-
CONTINUING
JANUARY 24, 2022**

Question:

1. Is the Submission date February 1, 2024? Two years to submit this RFQ?
2. May we receive the referenced forms, please? "All forms referenced in Sections 4.1.1-4.1.3 are required (as applicable) and can be obtained by emailing Lauryn Guetter at lguetter@pcgov.org. Additional pages may be used for each form if more space is needed." Are the Bay County submittal RFQ forms the same as the City of Panama City for the PC22-020 RFQ requirements?
3. Just to be clear, we can submit as the Engineering firm for MEP, FP Continuing Services Contract? Do we need to submit with an Architect?
4. Do we need separate submissions for each of the listings? There seems to be three listings that fall under the area of Building Materials. The descriptions look alike and have the same Number: PC22-020 and due date.
5. Is there a separate site address for Addenda or is it the same and will be identified as Addendum 1, 2, 3, etc., on the same site as the RFQs are announced? Not seeing a category for addenda on the site 'buttons'.

Answer:

1. The submission deadline is February 1, 2024. If you would like to start work with the City before the deadline, we suggest you submit your proposal asap.

BID No. PC22-020

CONTINUING PROFESSIONAL SERVICES CONTRACT FOR PANAMA CITY- CONTINUING

Submittals will be considered on a continuous basis until the deadline. No action will be taken until a project arises that requires a service listed on the RFQ.

2. I will email the forms to the requesting email address.
3. You can submit as the Engineering firm with or without an Architect.
4. PC22-020 is listed three times but is one RFQ. Only one submission is necessary.
5. It will be the same site address, and identified as Addendum 1, 2, 3, etc., under the Related Documents Tab of the Bid Posting.

Acknowledgement of receipt of this addendum is not required. Addenda are posted on the City website and the proposer/bidder is responsible to check this site or contact the City Purchasing Division at (850) 691-4902, prior to the bid opening to receive a listing of all addenda.
