CONTINUING**

Question:

Section “4.1.1 Content of Qualifications and Experience Requirements” of the above referenced project denotes; “H. Qualifications and Experience of the Other Engineers (on staff only) Proposer shall complete and submit Form RFQ-QSC for this section of its Qualification for each Engineer on staff who they intend to work on City projects.”

The required form provided by the City via email (email below and “required forms” attached for your reference), did not include form RFQ-QSC.

Answer:

Form RFQ-QSC has been added to the forms package. This form has been emailed to those who have not been approved by the commission and who requested the forms through email.

Acknowledgement of receipt of this addendum is not required. Addenda are posted on the City website and the proposer/bidder is responsible to check this site or contact the City Purchasing Division at (850) 691-4902, prior to the bid opening to receive a listing of all addenda.
